

FLOTONE

Graduated Background Material

- Gives you interesting lighting effects.
- Save valuable time spent setting up and doing trial shots.
- Achieve beautiful effects that would otherwise take hours with lights alone.
- Made of beautiful synthetic PVC material.
- Hand-made silky matte, non-glare surface.
- The Flotone material and colors do not absorb water.
- Can be cleaned with mild soap solution and soft cloth.
- Available in three sizes: 31"x 43", 43"x 67" and 80"x120".
