

SmartBox Media Streamer

SmartBox is the Pocketable Personal Local Cloud with Mobile Power Charging. It solves three major issues for your mobile devices: running out of battery life, running out of memory, & unable to share files instantly.

You have 2 way transfer between up to 4 devices simultaneously and a USB/SD card wirelessly. Take a card from your camera and send pictures wirelessly to a Tablet. Play a movie wirelessly from a jump drive to a tablet or phone. Transfer music from device to device. Battery operated by a 2500MAH Samsung battery that also can be used to charge your phone. Perfect for the Wedding photographer who can show what he is shooting on his Ipad.
