Pana-Vue® Pana-Scan™ EASY SCAN DOCUMENT & PHOTO SCANNER

NEW!

**FREE 1GB
Transcend
Micro SD with
SD Adapter**

Magazines

Photographs

Documents

Newspapers

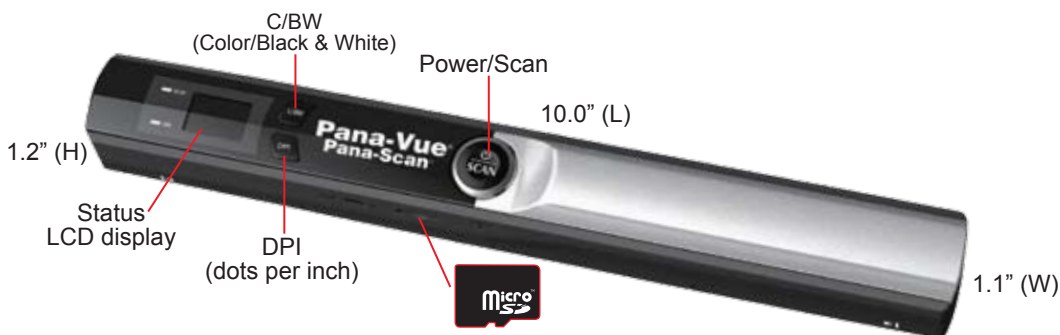

Pana-Vue Pana-Scan Easy Scan Document and Photo Scanner provides a fast and easy way to scan, organize and archive your favorite articles, recipes, legal and financial documents, letters, etc. Turn that stack of papers into easily organized digital files.

Take it with you to the library, and scan the pages you need. Scan an article from the newspaper or a magazine to share with friends and family. Scan important family papers to send to family members.

Easy, Fun, Lightweight and Portable (powered by 2 AA batteries) you can carry the Easy Scan with you and save your scans on a micro SD card*. You can then send the scans by slipping the micro sd card into your cell phone or just wait till you get back and download to your computer.

OCR (optical character recognition) software** is included to convert your scanned files into easily editable text files.
