

Pana-Vue[®] Pana-Scan[™]

SLIDE & FILM SCANNER

35mm, 110 & 126 Slides & Negatives

The Pana-Scan[™] Portable Stand Alone Slide & Film Scanner enables you to **quickly and easily convert your cherished slides and negatives into high resolution 22 megapixel digital images** without the need to be connected to a computer. You can show all of your precious images and memories on a TV in HD, or email, share on social media, print and archive

Just insert the film holder into the Pana-Scan[™]. Insert your slides or negatives in the holder, view the images on the **5" LCD screen**, Press the OK/☑ button and the images are stored on an SD memory card ready for you to use in your computer, share on social media, email, archive or view on a TV.

The Pana-Vue[®] Pana-Scan[™] Stand Alone Slide and Film Scanner does not require any additional software or drivers to run on your computer. Just use your favorite photo imaging & editing software.

Pana-Vue® Pana-Scan™ Portable Stand-Alone COMBO SCANNER

Prints, 35mm Slides & Negatives, 110 & 126 Negatives

Go Digital with the Pana-Scan™ Portable Stand-Alone Combo Scanner! Scan pictures right from your Photo Albums, Magazines, Slides & Negatives.

The Pana-Scan™ Portable Stand-Alone Combo Scanner allows you to quickly and easily convert your cherished photos, while still in photo albums or magazines, to digital images using patented anti-glare technology. The Pana-Scan™ Portable Stand-Alone Combo Scanner also converts loose pictures up to 4X6 inches plus slides and negatives into 14 megapixel digital images without the need to be connected to a computer. You can showcase all of your precious images and memories on a TV (TV must have a compatible USB input), or email, share on social media, print and archive.

To scan a picture while in a photo album or magazine, just place the scanner on top of the desired image and when you see the image on the 2.4" LCD screen, press the copy button. The images are then stored on an SD memory card ready for you to use in your computer, view on your TV, share on social media, email or archive.
