

Pana-Vue[®] Pana-Scan[™]

SLIDE & FILM SCANNER

35mm, 110 & 126 Slides & Negatives

The Pana-Scan[™] Portable Stand Alone Slide & Film Scanner enables you to **quickly and easily convert your cherished slides and negatives into high resolution 22 megapixel digital images** without the need to be connected to a computer. You can show all of your precious images and memories on a TV in HD, or email, share on social media, print and archive

Just insert the film holder into the Pana-Scan[™]. Insert your slides or negatives in the holder, view the images on the **5" LCD screen**, Press the OK/ button and the images are stored on an SD memory card ready for you to use in your computer, share on social media, email, archive or view on a TV.

The Pana-Vue[®] Pana-Scan[™] Stand Alone Slide and Film Scanner does not require any additional software or drivers to run on your computer. Just use your favorite photo imaging & editing software.

Instantly Turn Your Cherished 35mm, 126 & 110 Slides & Negatives Into Digital Images
