The Strongest Lens Protectors in the World: Marumi EXUS SOLID Lens Protect Filters

Marumi's flagship **EXUS SOLID Lens Protect Filters** utilize newly developed **Super-hardened glass** to protect your most valuable lenses! **EXUS SOLID Filters** are **7 TIMES STRONGER** than normal filters! **EXUS SOLID Filters** can protect and defend your valuable lenses against damage from flying objects, clumsy fingers, curious pets, and other environmental hazards.

To protect your lenses even more, **EXUS SOLID Filters' super-hardened glass** is mounted in a newly designed retaining ring that **secures the glass firmly**, so it won't come off even if it gets hit with a strong impact.

EXUS SOLID also helps keep the front of your lenses **clean & dust-free** because of our famous **EXUS Water & Oil Repellent and Antistatic Coating**. You will never be bothered by annoying dust, finger prints or stains. Just wipe the filter surface gently and the stains go away.

In addition to toughness, **EXUS SOLID Filters** feature an ultra-low reflection rate of 0.2%, to maximize the light transmission and sharpness of your lenses and support the full expression of your creativity.

Protect and Defend Your Investment in Glass with **Marumi EXUS SOLID Filters!**
